### ROAD WORK WILL HINDER BEAR LAKE ACCESS

Starting on or around June 19, 2007, the Division of Forestry, Fire and State Lands in conjunction with Rich County will close the 150 South Bear Lake Boulevard road to local traffic only. That closure will restrict access to the beach at Bear Lake at that location. Work is expected to last seven to ten days.

The project will improve the beach access road and allow vehicles to safely drive on the beach during low water years while minimizing resource damage to the existing vegetation and habitat. Large rock will be put down to solidify the soil with an overlay of road base on top of that.

Work is scheduled to be completed by June 29, 2007, in time for the active July 4<sup>th</sup> Holiday.
